PLEDGE FORM

Dear brothers, sisters and supporting Christian community,

Thank you again to all those who continually support local covenantal education. In order to faithfully continue providing Christ centered education for the young children of our greater church family, we are reaching out for your support. We are again initiating a drive to raise funds to help keep tuition from rising significantly. This coming school year we are hoping to raise \$250,000 towards tuition management and deficit reduction.

Why pledge?

- God calls us to be faithful stewards of the gifts he has graciously entrusted to us. It is a joy to be able to support local Christ centered education for all of his covenant children. We have the assurance of knowing that we are an extension of God's hands at work in this world.
- Many of us have been past students, or have been greatly impacted by JCS at some point in our lives and support the work of the school.
- This drive has an impact of over \$100 per month for those with children in school.
- The drive donations are considered capital donations and are eligible for tax refund over 30%. You could do a one-time payment or consider a monthly payment.

We invite businesses and individuals (tuition paying members, members and donors) to fill out the form below. We hope to receive your pledges by the end of May 2019. Please mark your cheques as Tuition Reduction on the memo line. For PAP forms please contact the members below or visit www.johncalvin.ca

Whether or not you are able to contribute to the drive, we kindly ask that you fill in form and submit the pledge forms to the school's mailbox at the back of the church or your local Finance Committee member. Committee members will be following up with a reminder phone call to those who have not yet submitted their forms by May 31st. May God bless John Calvin School and the supporting community again in 2019.

- I/we would like to pledge \$_____ for the 2019/2020 budget and plan to pay this right away or in the following months (circle any or all that apply):
